

REFERENCE: DECLARED VALUE CHARGES

It is the practice at QA Technology Company, Inc. to fully insure all shipments from our facility, located at **110 Towle Farm Road, Hampton, NH 03842 USA**. In the event that a package is lost or damaged during shipment, we are able to file a claim with the carrier and be fully reimbursed.

If you wish to insure the shipments yourself, (in the case of loss or damage), the payment of the invoice is still due to QA within the designated terms. You would then in turn claim this amount from your insurer to be reimbursed. By signing below, your company acknowledges and accepts these terms.
