

# New Adjustable Wire Stripper from QA!

## Strip wires accurately, quickly, and easily.

For PCB professionals who need the highest quality tools to be used with wire plugs, wire jacks, and wire grip sleeves, QA Technology is pleased to offer the new Adjustable Wire Stripper (P/N: WS). With an easily selectable built-in adjustment dial, it accommodates various wire sizes from 20-30 AWG. The tool is preset at 0.120 [3.05], the recommended length to be used with our wire grips, wire jacks, and wire plugs.

Since 1981, QA Technology has been globally recognized for exceptional product performance, competitive prices, fast delivery, and outstanding service.
